

Bonding Capacity Statement

To Whom It May Concern:

We are establishing bonding capacity through our surety to support public and prevailing-wage projects that require performance and payment bonds.

Current Status

Item	Detail
Surety Relationship	In process — establishing with a rated surety
Single-Project Limit	To be determined by surety
Aggregate Limit	To be determined by surety
Bond Rate (estimated)	Prevailing surety market rates

Financial Position

- We maintain positive cash flow and adequate working capital.
- We have no outstanding liens, judgments, or bankruptcies.
- We maintain a clean credit history.
- We carry full insurance coverage (WC, CGL, umbrella available).

For Projects Requiring Bonds

- We include the estimated bond premium (at current surety market rates) as a line item in our bid.

Green Communications

— CONTRACTING LLC —

636-224-8192 - greencommllc.com

Low-Voltage Div 27/28 Contractor

- We can provide a surety letter of intent upon request.
- We obtain the bond within 10 business days of award.

If this project requires a performance and/or payment bond, please notify us at bid time so we can include the cost and confirm availability with our surety.

Sincerely,

Kaitlyn Morris
