

Kaitlyn Lim Morris

CEO — Green Communications Contracting LLC

Professional Summary

I founded Green Communications Contracting LLC in February 2026 to deliver high-quality, low-voltage infrastructure to commercial and residential clients across the Kansas City and St. Louis metro areas. I manage all business operations, estimating, project management, and client relations for the company.

Role at GCC

-
- Lead all estimating and proposal development for Division 27/28 projects.
 - Manage client relationships from initial bid through project closeout.
 - Oversee financial operations, insurance, and compliance.
 - Develop and maintain our proposal system, templates, and quality standards.
 - Coordinate with general contractors, architects, and project owners.
 - Manage our AI-assisted estimating platform for fast, accurate bids.

Background

Before founding GCC, I developed expertise in business operations, financial management, and project coordination. I bring a detail-oriented approach to every bid and project, ensuring accurate scope identification, competitive pricing, and reliable execution.

Education & Credentials

-
- Business operations and management background
 - OSHA construction safety trained
 - Active Missouri LLC managing member
