

Prevailing Wage Certification

To Whom It May Concern:

We certify the following regarding prevailing wage compliance for this project:

Certification

We, Green Communications Contracting LLC, certify that:

- We will pay all workers on this project at or above the applicable prevailing wage rates as determined by the Missouri Department of Labor (state projects) or the U.S. Department of Labor / Davis-Bacon Act (federal projects).
- We will submit certified payroll reports in the required format and frequency as specified by the GC and/or awarding authority.
- We will maintain accurate payroll records for all workers on this project, including hours worked, classifications, wage rates, and fringe benefits.
- We will make payroll records available for inspection by the GC, awarding authority, or Department of Labor upon request.
- We will post the applicable prevailing wage determination at the job site in a conspicuous location accessible to all workers.

Wage Basis

Item	Detail
Our Standard Labor Rate	\$100/hr (blended)
Prevailing Wage Applicability	We compare our rate to the published PW rate and use the higher of the two.
Certified Payroll Format	Format required by the GC or awarding authority (WH-347 for federal).
Payroll Frequency	Per GC requirements (typically weekly).

Compliance

- We classify all workers according to the work actually performed, not by arbitrary title.
- We do not employ split classifications to reduce wage obligations.
- We pay applicable fringe benefits or include them in the hourly cash wage.
- We comply with all overtime requirements (time-and-a-half after 40 hours per week).
- We understand that falsification of certified payroll records is a violation of federal and state law.

Sincerely,

Kaitlyn Morris
