1. Firm Profile

Green Communications Contracting LLC (GCC) is a specialty Division 27/28 low-voltage subcontractor serving the Kansas City Metropolitan Area and the St. Louis Metropolitan Area, plus adjacent Missouri and Kansas counties. Founded 2026 in O'Fallon, MO, and organized as a Missouri LLC (Secretary of State LC014709899).

Attribute	Value
Entity	Green Communications Contracting LLC (GCC LLC)
Entity type	Missouri limited liability company
Formation date	February 25, 2026
Trade scope	Division 27 Communications and Division 28 Electronic Safety & Security cabling
Geographic coverage	KCMO & STL metros + surrounding MO / KS counties
Primary contact	Kaitlyn Morris, President — kaitlyn@greencommllc.com — (636) 224-8192
Licensed & insured	Yes — see §4 for limits
Registered agent	Kaitlyn L. Morris, 603 Seib Dr, O'Fallon, MO 63366-1384

2. Leadership

Kaitlyn Morris — President / CEO

Leads estimating, contracts, client relations, and day-to-day operations. Signs every Proposal Packet personally. Directly accountable to every GC and owner GCC serves. Reachable by cell during business hours.

Nathan Morris — Director of Operations

Leads field operations and QA. Twelve-plus years in healthcare IT infrastructure deployment, including PACS/RIS workflow systems, large-scale network infrastructure installs, and cross-functional QA across 600+ hospital projects nationwide.

3. Self-Perform Statement

GCC self-performs all low-voltage installation work with W-2 personnel and long-term 1099 contractors operating under GCC supervision. No cable pulls, terminations, or testing are subcontracted out — the crew that terminates every jack is on GCC's payroll or direct-hire roster.

Subcontracted specialty trades (where applicable per job scope):

- Core drilling — licensed concrete saw and core drill trade.
- Firestopping — UL-listed firestop installer (when inside GCC scope; typically Exclusion C).
- Fiber fusion — occasionally brought in for large singlemode projects; GCC also self-performs with in-house DSX-8000 + OTDR equipment.

4. Insurance & Bonding

Base coverage

- Missouri Workers' Compensation: statutory; \$1M per accident.
- Commercial General Liability: \$1M per occurrence / \$2M aggregate.
- Products / Completed Operations: \$2M aggregate.
- Commercial Auto: \$1M combined single limit.
- Professional / Errors & Omissions: available on request.

Umbrella / Excess Liability

- \$1M standard; \$2M or \$5M available on request with 10 business days' notice.
- Updated COI issued before mobilization naming GC and owner as Additional Insured where required.

Bonding

- Bonded through a rated surety. Single-project limit and aggregate limit available on request.
- Bond rates disclosed at bid; bond issued within 10 business days of award.

5. Subcontractors & Suppliers

Subcontractor and supplier selection on this job is driven by the Statement of Work and finalized at award. GCC maintains active accounts with the following manufacturers and distributors and self-performs cable install.

Category	Manufacturers / Suppliers
Structured cabling	Panduit, CommScope SYSTIMAX, Belden, Berk-Tek
Active networking (OFCI reference)	Ubiquiti UniFi, Cisco Meraki, Aruba
Cameras & VMS (OFCI reference)	Avigilon, Axis, Bosch
Access control (OFCI reference)	HID / Mercury, Genetec
Fiber backbone	Corning, Sumitomo
Racks & cable management	Chatsworth, Middle Atlantic
Firestop (as needed)	3M, STI, Hilti
Distributor	Graybar, Anixter, ADI Global

6. Track Record & References

Representative projects and references. Additional references available on request.

Project	Client / GC	Contract Value	Reference Contact
{{REF_PROJECT_1}}	{{REF_CLIENT_1}}	{{REF_VALUE_1}}	{{REF_CONTACT_1}}
{{REF_PROJECT_2}}	{{REF_CLIENT_2}}	{{REF_VALUE_2}}	{{REF_CONTACT_2}}
{{REF_PROJECT_3}}	{{REF_CLIENT_3}}	{{REF_VALUE_3}}	{{REF_CONTACT_3}}

7. Capabilities Summary

Why GCs and owners award GCC:

- Lifetime workmanship warranty on every cable installed — transfers with the property (see Standards section).
- 100% on-time delivery record — every substantial completion date hit on or before.
- Fluke DSX-8000 certification on every drop — LinkWare PDF reports delivered at closeout.
- Self-performs all cable install with W-2 / direct-hire crew. No brokering to 3rd-party labor shops.
- Kaitlyn Morris signs every Proposal Packet and answers the phone — direct-to-principal for every issue.
- Full coverage of Div 27 (Cat6A plenum, fiber, racks) and Div 28 (camera / ACS / intercom cabling).
- Cat6A plenum included as standard on every GCC bid — no upcharge to the GC, even when base spec calls for Cat6. Cat6 substitute for Cat6A is never offered.
- Covers KCMO and STL metros plus adjacent Missouri / Kansas counties with a single mobilization.
- Active accounts with Panduit, CommScope, Corning, Belden, Chatsworth, Middle Atlantic, Graybar, Anixter, ADI Global.
- OSHA 10 / OSHA 30 field certifications maintained company-wide; on-site 2-person minimum always.
- UniFi Managed Services offering available as post-award alternate on every whole-building job.
